Why TOI recommends?

Ideal for: Investors and end-users seeking brand-backed confidence, high liquidity, and capital efficiency, rather than aggressive luxury speculation.

Sobha Strada offers one of the lowest entry tickets into the Dwarka Expressway premium belt, enabling stronger leverage efficiency and higher XIRR potential versus larger luxury formats.

Compact unit sizes with optional terrace variants create faster resale and rental absorption, reducing exit timing risk over a 4-year horizon.

Sector 106 has transitioned into a lived-in residential pocket with operational expressway connectivity, supporting predictable, non-speculative appreciation.
